

What will Frodsham look like in 2030?

Do you live in Frodsham? Do you shop in Frodsham? Do you have a business in Frodsham?

Do you enjoy the facilities and outdoor spaces in Frodsham?

If you do, then you will probably be interested in how your town will be developed over the next few years. The Frodsham Neighbourhood Plan lays out 4 key areas of local development and before this is taken into planning law, the team wants to give you a final chance for feedback. There is a 6-week consultation window when you can read the plan and comment, from 24 th October-4 th December.

The Plan can be seen at:

- www.frodshamplan.org.uk
- Frodsham Town Council Offices in Castle Park
- Frodsham Library
- Princeway Health Centre
- A number of in-person drop-in sessions around the town throughout the 6-week period

Over the last couple of years the Frodsham Neighbourhood Plan has been developed by a local team, taking ideas from the community. It covers the areas of:

- Housing
- Economic Development & Business
- Well-being, Recreation & Leisure
 - Easy movement & Access
 -

This consultation period the ONLY time you'll have to impact the content of the Plan, so it is

crucial that as many local people as possible read and comment on it.

What you can do:

- Follow @FrodshamPlan on Facebook
- Follow @Frodsham_Plan on Twitter
- Share the posts and information with your network
- Come along to a live drop-in event which will be promoted on social media
 - Go to the website, read the plan and leave a comment
 -
